The screenshot shows the ezCheckPrinting application window. The main area displays a check form for 'Sample Company' (100 Somewhere Rd, Nowhere, CA 90000) and 'My Bank' (123 Bank Road). The check number is 1043, dated 3/20/2014, for the amount of € **876.03 (Euros). The payee is Anna. A signature is visible on the right. Below the form is a table of 'Current Selected Check: 1043, 1042, 1041'. The table has columns for Selected, Check Nu, Payee, Serial Num, Check Amount, Memo, Note1, Note2, Check Date, Payee Name, PayeeAddr, and PayeeAddr. Three rows are listed, all with checked 'Selected' boxes. A 'Print' button is highlighted in the 'Check Actions' bar. Annotations include a green box around the table headers with the text 'Click the header to sort checks' and an orange box around the 'Print' button with the text 'You can select multiple checks then click the PRINT button to print multiple checks together'.
