Play as two teams of four, of one player, and in a variety of game modes, such as domination, elimination and combat. Control Your Sword: Unique to every game mode, you can choose which members of your team to control. Use the Movement and Attack buttons to navigate and clash with the enemy. The enemy is also on the move, but must destroy or avoid being destroyed by you. Learn and Battle: The game provides instruction on how to use the controls and controls you master the skill system. PvP, Multiplayer & Social: Take on other players in games modes, as well as team games and other modes. Join the growing community and discover new players around the world. Play and play together! Built For Battle: Customize and upgrade your sword, armor and more. Unlock and add new items to create an unbeatable team. Build Your Own Story: A guild system lets you level up your play time and credits earned. Earn guild-wide achievements and customize your look and your team's, with the custom-build feature. Customize Your Team: Through customization you can give your team a visual appearance and name. Together, your team will be unique. For fans of: Minecraft, Asphalt, H1Z1, Battlegrounds and other Battle Royale. Unlock Your Potential! The game is free to download. However, in order to play the game and enjoy all of the content and features, users will be asked to make a purchase for virtual currency. More information on how to obtain the virtual currency and purchase items

can be found here. The video above provides a demonstration of the "Player Vs Player" (PvP) mode. The video below provides a demonstration of the "Player Vs Player Team" (PvPT) mode. Learn more about X Games Gameplay! A CROSS -WIELDING paraplegic has been so busy thanking his lucky stars that he has failed to ask God for a new leg. The unnamed man lost both legs in a car crash two years ago and has recently started cycling around the countryside in his pushchair, without benefit of a leg. He says that people are constantly stopping to take pictures of him, and often ask him why he has no legs. "It's a bit odd," he said.

"They never used to take pictures of me before. Now it seems they're all over the place." 82157476af
